## Dear Parents and Carers,

What another brilliant week at New York... Thank you for all your help and support with the different regimes and timetables that we are now working with. Thank you also for your understanding with the parking and the different entrances that we are now using. Could I please ask that you share all the information with family and friends who may come to collect your children.

## Brilliant PE:

As you know we are not swimming at the moment, but we are still doing 2hrs of PE a week. For the last seven years we have been awarded the National Bronze, Silver or Gold School Games awards for PE in school, the last four years being Gold. This year the awards were suspended and the decision has been made to suspend them next year as well. Instead, we took part in the Lincolnshire Virtual Sports Competitions and in recognition of what we were doing before and during lockdown, both New York and Frithville have been presented with awards for both Commitment and Achievement. Mr Haslam will be attending our virtual assembly next Friday to present the certificates. Please follow the link below to the Lincolnshire School Games 2019/20 Achievement and Commitment Awards. It is a video clip with sound, we're about 4mins 30secs in...

**SCHOOL GAMES**

**COMMITMENT & ACHIEVEMENT AWARDS**

**2019/20**

As a result of the Coronavirus pandemic, the prestigious School Games Mark applications and awards were not able to take place for this academic year (nationwide).

The Lincolnshire team would like to recognise the hard work and achievements, both pre-lockdown and during the virtual events. This is our way of celebrating schools' commitment to school games, PE, physical activity and home learning this academic year.

Schools were able to apply for two individual Lincolnshire School Games Awards for 2019/20. The Achievement Award and the Commitment Award.

The Achievement Award allowed schools to document and showcase the outstanding work which took place prior to school closures (Sept 2019 through to March 2020).

The Commitment Award highlights schools' work to encourage young people to stay active and engage with the virtual school games offer during the Summer Term (April 2020 through to July 2020).
