## Parents and Carers,

### Monday 8<sup>th</sup> March 2021 all children will be back to school!

The sun is shining and Spring is in the air, this is wonderful news for all of us, but especially for our children. Plans are in place and along with the newsletter I have attached the FAQs sheet and Return to School Plan with today's email. As you will see, there are very few changes and all our staff are working tremendously hard behind the scenes to ensure a wonderful return. We welcome also Mrs O'Callaghan and Mrs Thompson as they take over from Miss Zuzarte in Class 1 at New York.

Next week will be the last joint newsletter of 2021 and what a year it has been so far... We have almost completed a year under lockdown in one form or the other, nobody could have predicted what has taken place, this time last year nobody knew what was in store for us.

Again, I would like to say thank you to you All, whatever the problem, whatever the dilemma, whatever the issue, we have worked together and pulled through it... together. The situation we have faced this year has brought us closer together with our families, friends and workmates, it has brought to the forefront the importance of living for the moment and taking every opportunity as and when it arises.

This half term's value is Justice, and we have started this week with assemblies and ZOOM sessions with this in mind. If you have any questions or queries please do not hesitate to contact us.
