## Dear Parents and Carers:

### What's on this Term:

Already we are into the second half of the academic year! We have plenty to be looking forward to this term...

#### Class 1:

This term in Class 1 our Topic is Elizabeth I. We will be learning about her life, her coronation, the explorers of her time and the Armada. In Maths we will be looking at symmetry and pattern in shape and continuing with the White Rose small steps.

We will be continuing to follow the RWI programme for our Phonics & Literacy. In DT we are designing and making puppets for a zoo gift shop. For R.E this term, we will be looking at Islam and asking the question: What does the Qur'an say about how Muslims should treat others and live their lives?

#### Class 2:

Class 2 have lots of exciting new topics starting this term. Our learning in geography will be based around the continent of North America. In science we will be learning about the lifecycles of different plants and animals. Our RE topic focuses on the five pillars of Islam and what they mean for Muslims. In DT we will be investigating, designing and making our own kites. We have already begun a new music project: a crash course in learning to play the ukulele! As well as all this we will continue to build on a variety of skills during English and Maths, with a particular focus on fractions (and decimals and percentages for the older year groups). As always, please contact Mrs Iveson if you require more specific information about your individual child's learning.

### World Book day:

We will be having a non-uniform day on Friday 4<sup>th</sup> March to celebrate the 25th anniversary of World Book Day. Children will be able to come to school as their favourite Character... I haven't decided on a costume yet, I have too many books!

### Presentation Assemblies – Friday 18<sup>th</sup> March 2022 – Hold the date!

On Friday 18<sup>th</sup> March 2022 we are hoping to be able to invite parents back into school for our Friday Presentation Assemblies... Unbelievably, this will be almost two years to the day since the first lockdown back in March 2020. We have really missed the interaction between children, parents and staff each Friday, being able to celebrate the achievements of our children together.

Please join us in wearing something red for Comic Relief... Thank you.

**RED NOSE DAY IS ON  
FRIDAY 18 MARCH 2022**

Red Nose Day is coming. We will be helping people live free from poverty, violence and discrimination by having a non-uniform day where we will be wearing something RED.

### Attendance:

#### 100% Attendance ~ Term 3

Class 1		Class 2		
Alfie Nicholson	Rylee-George Sheppard	Freyja Newman	Archie Potts	Kaiden Toulson
Bailey Wright-Marriott	Logan Wright-Marriott	Mason Denham	George Doust	Kaiden Sanders
