Dear Parents and Carers:

Presentation assembly:

It was wonderful to see parents, grandparents and friends of the school back in our presentation assembly this afternoon – brilliant, thank you. We had lots of learning and achievements, both in and out of school, to celebrate; we have really missed this over the last two years.

We've had a wonderful day... All in red, Read Write Inc, guided reading, maths...

E-safety:

Scam Stories - The Money Drop...

Young people are being targeted for many different scams online, particularly via social media, including grooming for money laundering. Scam Stories is a 25-minute documentary on BBC iPlayer which shares the stories of 3 young adults who were victims of these scams when they were younger. It is an excellent short programme to raise your own awareness of this growing issue, particularly if you talk to young people about scams. Please note there is a small amount of strong language in the documentary.

You can view the documentary [HERE](#).

"Wordle" Game...

"Wordle" is a new, very simple game which has grown to extraordinary levels of popularity over the last few months. In the main it is a very safe game, but with the rise in popularity it's important to be aware as there are a couple of concerns. Internet Matters have written a great, short article which would be ideal to share with parents. You can find the article [HERE](#).

Shining Stars:

Kaitlyn Addison	Settling in well
Mason Addison	Settling in well
Aeryn Martin	Brilliant effort & progress in all her learning
