## Dear Parents and Carers:

### Peer Review – a way forward for continuing improvement:

As many of you are aware, Frithville and New York, as well as being an integral part of the Horncastle Education Trust, are also part of a much wider collaboration of schools throughout Lincolnshire.

A huge focus of the Collaboration is to provide support at all levels for each other and part of that process is Peer Review. Peer Review involves the headteachers, visiting other schools within the collaboration to investigate lines of inquiry, with the ultimate aim of continuous improvement.

Yesterday two headteachers visited Frithville and New York to conduct a Peer Review, which involved learning walks, work scrutinies, data checks and staff professional discussions with a focus on writing. It was an absolute pleasure to be able to show other headteachers around Frithville and New York once again... Very, very proud!

## Headteacher Awards:

Ciaran Parnham	Fantastic independent maths work
Kaiden Toulson	Helping his peers
Ciaran Parnham	Helping his peers
Nevan Lawrence	Writing on Mary Anning
Oscar Williams	Reaching above the stars

## Celebrate the week!

## House Point Winners:

# The Red Rubies!

### Stars of the Week:

**Class 1:** Elsie-Mae Newbery **Class 2:** Jayden Hulley

## E-safety: (Alerts & Support)

### For Parents – Undressed Animation...

Although this isn't a new resource, with the worrying figures released by the Internet Watch Foundation last week in their annual report it's important we keep the conversation going with children about internet safety. Undressed is a fantastic resource for younger children, free from LGfL, which includes a video, song, lyrics, Powerpoint lesson and a poster. You can view/download [HERE](#).

### For Parents – Goldilocks...

An old but still a very good resource for younger children, Goldilocks is a modern twist on the classic fairy tale for parents to discuss all things social media with their children. It is free (PDF download) and there is an activity sheet to go with it, to open up those all-important discussions with the children. You can download from the Vodafone website [HERE](#).

## Book - On the Internet...

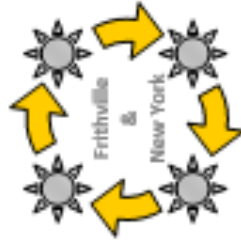

On the Internet is a learning-to-read book brought to you by Childnet for children aged 4+ to share with parents about all the wonderful things you can do on the Internet as well as advice. The book is a PDF download, it's free, and it can be downloaded [HERE](#)

## Shining Stars:

Mason Denham	Determination and hard work in maths
Amy King	Working hard in English and maths
Matthew Bedwell	Positive attitude in maths
Thomas Roberts	Using his doubling knowledge
Brodie Campbell	Planning in his writing
