Friday 14<sup>th</sup> October 2022

Dear Parents and Carers,

## What a week - Tag Rugby and orienteering!

Tag rugby last Friday... the game with the correct shaped ball... We took two teams, one from each school, for a development day at the Princess Royal Sports Arena, the home of Boston RUFC. Again, the children were wonderful learning new techniques and skills, all with fantastic teamwork throughout. The children were extremely proud to be wearing the school kits again!

And... On Tuesday we took the whole of KS2 from both schools to Witham Country Park to take part in an afternoon of orienteering. The children were brilliant. It was simply amazing to see the smiles as they raced around the park looking for the flags indicated on their maps – wonderful teamwork.

## Harvest Festival:

We will be having our Harvest Festival on Friday 21<sup>st</sup> October. As usual, we will be collecting for the Centrepoint Outreach Charity in Boston, who have been supporting the homeless, lonely and vulnerable in our community for over 20 years now. We will start to collect produce from Monday 17<sup>th</sup> October, fresh produce from Wednesday 19<sup>th</sup>, please.

All are welcome to attend the assembly as usual, we will be glad to see you. I will be delivering the donations from both Frithville and New York after school on Friday 21<sup>st</sup> October. Thank you all for your generosity.

## E-safety:(Alerts & Support)

### Online Safety Resources (by age)...

Internet Matters are continually bringing out new, updated resources for schools and for parents. They have recently put together 3 useful pages which contain a parent pack, common online safety issues, top apps and platforms and a few resources, all split by age to make things easier. You can find a link to each page below:

Early Years - click [HERE](#).

Primary - click [HERE](#).

Secondary - click [HERE](#).

### Connecting and Sharing Online (LGBTQ+)...

Another great resource from Internet Matters, this one is a guide for parents to support LGBTQ+ children and young people including the benefits, the risks, the challenges and practical steps to protect children and young people including setting up devices, conversation starters, things to remember and dealing with online issues.

You can find a link to the article [HERE](#).
