Dear Parents and Carers,

A New Term:

We have another tremendously busy term ahead...

Class 1:

This term class 1 will be learning all about Amelia Earhart, with a focus on Geography...Where did she travel? What difficulties did she face with the weather? How did this impact on her disappearance? In art we are learning all about sculpture, we'll be getting creative with clay and learning lots of sculpting techniques - we'll be expert sculptors by the end. In Science we're learning about materials. The children will carry out an experiment to find out which material is most suited for a waterproof and warm coat for Santa. In maths we have moved onto addition and subtraction.

Class 2:

This term class 2 are learning all about the continent of South America in Geography. In maths we are continuing with addition and subtraction and will move on to multiplication and division later in the term. In science we will be investigating rocks and fossils and Year 5 & 6 will also learn about adaptation and evolution. Our RE topic focuses on the different ways Christians express themselves through words and art. In art we are finishing our work about Lowry and will be moving onto cityscapes using a range of media.

Harvest Festival – Centrepoint Outreach:

A huge thank you to all our families for your generosity in donating the tremendous food for our Harvest Festival. Please see the attached letter of thanks.

Residential – YHA Castleton, June 2023

All places have now been filled.

Bonfire Night:

I hope everyone has a wonderful and safe weekend. We have been looking at the Firework Code in class today, I've put a copy on the newsletter as well.

Dear Mr Bargh

On behalf of everyone at Centrepoint Outreach I am writing to thank you for the recent donation of harvest food from *New York Primary School*. I should be grateful if you would pass on our thanks to everyone who donated so generously notwithstanding the current pressures on household budgets.

As well as providing food parcels to people who are struggling to afford to feed themselves and their families, we also use donated food to provide daily hot snacks for homeless and vulnerable people visiting our morning drop in support and advice sessions.

You may be interested to know that during September 2022 we helped 55 people who were homeless or in temporary accommodation and we provided food, furniture, household items, clothing and bedding on 591 occasions to those most in need. In addition to this, our staff dealt with 312 enquiries and we received 469 visits to our drop in sessions.

Thank you once again for your generous donation which will help to restock our shelves to ensure that we can continue to support those who come to us in need.

Yours sincerely,

Elizabeth Hopkins
(Chief Executive Officer)

The Firework Code

- **Only buy fireworks marked BS 7114.**
- **Don't drink alcohol if setting off fireworks.**
- **Keep fireworks in a closed box.**
- **Follow the instructions on each firework.**
- **Light them at arm's length, using a taper.**
- **Stand well back.**
- **Never go near a firework that has been lit.**
Even if it hasn't gone off, it could still explode.
- **Never put fireworks in your pocket or throw them.**
- **Always supervise children around fireworks.**
- **Light sparklers one at a time and wear gloves.**
- **Never give sparklers to a child under five.**
- **Keep pets indoors.**
- **Don't let off fireworks after 11pm.**
